Please join us at the 28th Annual Golf Tournament on September 18, 2017 as we enjoy a day of golf, food and camaraderie, while raising money to support BVNA's specialty services, including Caring for Kids.

2016 was a very special year, as BVNA successfully expanded the care provided from funds raised through this event to help patients in all our specialty programs, in addition to Caring for Kids (CFK). For more than 30 years, the CFK Program has assisted hundreds of children and their families who have benefited from this exceptional care. In 2017, BVNA will continue this special work and also provide innovative and exceptional home health care in many other specialty areas, including our American Diabetes Association recognized Program in Diabetes Education, Telehealth for Cardiac Disease and our Behavioral Health, COPD and Complex Care programs, and more.

During the evening event, BVNA will be honoring the Carney Family, represented by Tish and George, who have contributed significantly to the success of this tournament for many years as Premiere Sponsors.

Please go to [www.brocktonvna.org](http://www.brocktonvna.org) to see examples of special Honoree Recognition opportunities available in our Program Booklet.
