*Please join us at the 32nd Annual  
BVNA Golf Tournament on October 4, 2021  
at Thorny Lea Golf Club.*

For the second time in the last 102 years, BVNA has been called upon to provide care in the face of a national pandemic. As a non-profit healthcare provider, dedicated to the health and well-being of residents in over 30 towns, this last year has presented incredible challenges, but also highlighted just how much a strong home healthcare resource, like BVNA, is needed and can do for the community.

With the technology, methods of communication and clinical expertise that we have today, BVNA has been able to help more patients get the care they need, safely at home, than may have ever been possible before. Even with hope coming from a vaccine, we still must invest in our resources to provide safe care.

Your participation in this event, as a sponsor and/or as a player will help us immensely, as this is our major annual fundraising event. We invite you to invest in our success as a force for health and recovery in our region.

Thank you!
